

Post-Shave Cooling Lotion

Moisturizing shave relief

Dual action formula works as a lightweight moisturizer and calming aftershave. Active minerals help restore skin balance and inhibit inflammation.

Application: Smooth over face and neck. Can be used immediately after shaving or as a daily moisturizing lotion.

Features

Benefits

Abyssine 657

A naturally derived micro-organism located in deep sea hydrothermal vents. Soothes and reduces irritation in sensitive and reactive skin.

Pumpkin Seed Extract

Excellent source of minerals, especially zinc. Helps skin renew as it moisturizes. Essential fatty acids help regulate sebum production.

Tea Tree Oil

Anti-inflammatory and antiseptic perfect for calming skin and helping to prevent irritation.

Nettle, Comfrey and Elder Flower Extracts

A blend of extracts that promotes healing and healthy, balanced skin.
