

### Moisturizing Shave Cream

Herbal formula for normal to coarse beard types

Conditioning formula with powerful antioxidants ensures razor glide without drying skin. Soothing aloe and healing avocado oil provide maximum protection for dry or sensitive skin.

**Application:** Wet face with warm water. Cover beard with shave cream and shave as usual. Follow with Post-Shave Cooling Lotion.

Features	Benefits
Eucalyptus Oil	Natural antiseptic and healing agent
Vitamin E	Antioxidant that helps protect and moisturize skin
Avocado Oil	Excellent moisturizer with a high content of Vitamins A & B which help absorb ultraviolet radiation from the sun
Sweet Almond Oil	Soothes skin and helps prevent drying and razor burn
